## ANGOSTURA® 7 YEAR OLD

This rum is aged for a minimum of seven years in 'once used' bourbon casks until it can be bottled and enjoyed.

Packed with mouth watering flavours that include maple, chocolate, honey and toffee and presents a rich full-bodied taste that tapers off in to the classic rum finish.

It can be enjoyed neat as a sipping rum, or over ice, equally it can mix a stunning contemporary take on a Manhattan or an Old Fashioned.

### ANGOSTURA® 7 YEAR OLD CHARACTERISTICS:

- A blend of light, medium and heavy rums
- After blending, the final rum is returned to mature in bourbon oak casks to allow the blend to marry
- This silky smooth rum comes into its own after a minute or so in the glass, and should be first sampled neat to allow the rum to reveal its true characteristic and provenance
- *Angostura® 7 Year Old* rum is a powerful, robust and flavoursome rum. On the nose it has subtle notes of maple syrup, chocolate and gentle smokiness
- Rich medium body
